NOVEMBER 4th

The Candidates IN THEIR OWN WORDS

CULTURE OF LIFE

"I believe the noblest words ever written are those that say all of us are created equal, and endowed by our creator, with certain inalienable rights, among these are life, liberty, and the pursuit of happiness. I believe that inalienable right applies to the unborn as well as the born, and I believe it applies to every unborn child in the world. . . I know what it is like to be deprived of some of your rights."

~ John McCain, 8.7.08, Town Hall Meeting in Lima, Ohio

"The first thing I'd do as president is, is sign the Freedom of Choice Act. That's the first thing I'd do."

Signing the Freedom of Choice Act would overturn all 300+ local, state, and federal abortion restriction laws, such as the Partial Birth Abortion Ban and parental notification regulations for minors.

~ Barack Obama, 7.17.07, Addressing Planned Parenthood

TRADITIONAL MARRIAGE

"I support the efforts of the people of California to recognize marriage as a unique institution between a man and a woman, just as we did in my home state of Arizona. I do not believe judges should be making these decisions."

~ John McCain, 6.26.08, Statement Supporting a California Constitution Amendment to Protect Traditional Marriage

"Unlike Senator Clinton, I support the complete repeal of the Defense of Marriage Act (DOMA) – a position I have held since before arriving in the U.S. Senate. While some say we should repeal only part of the law, I believe we should get rid of that statute altogether."

~ Barack Obama, 2.28.08, Open Letter to the Lesbian, Gay, Bisexual, Transsexual (LGBT) Community
