COME, JOIN THE ADVENTURE!

Chris and Joy are typical 22nd-century kids, hanging out with their robot Gizmo, until they encounter a mysterious device (Superbook) that literally pulls them into the pages of history. The Emmy®-nominated *Superbook*® series takes children ages 6+ on an exciting journey through the greatest stories ever told to uncover ancient secrets while teaching valuable life lessons.

BASED ON THE CLASSIC

Since 1981, the *Superbook* brand has entertained and educated children around the world. Developed by the acclaimed producers of *Speed Racer*, *Classic Superbook* rose to worldwide fame:

- » 52 episodes produced
- » Dubbed in 43 languages
- » Broadcast in 106 countries
- » Viewed by over 500 million people worldwide

AWARD-WINNING TEAM

The new *Superbook* series is produced and created by an Emmy® Award-winning team of artists and storytellers whose credits include *Mulan*, *Beauty and the Beast*, and *The Lion King*. The *Superbook* brand is fully interactive with curriculum, web, gaming and mobile applications. The series is being dubbed into 40+ languages and has already aired on networks such as Doordashan (India), ABS-CBN (Philippines), RCTI (Indonesia), America TV (Peru) and Planet Kids (Italy). Broadcast rights for many countries are still available.
